

Rotary District 7450
Interact and Rotaract
Ryla Project February 8-10, 2019

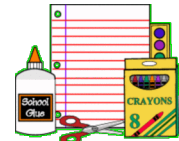

Gaudenzia helps people affected by drug and alcohol dependency, mental illness and related conditions to achieve a better quality of life and become accountable individuals.

This project will support Gaudenzia's Adult Residential Services, which provide short, intermediate and long-term substance abuse and mental health services for adults, women with children, homeless individuals, and HIV symptomatic substance abusers. This year District 7450 Interact and Rotaract Clubs will be collecting personal that are needed by residents in Gaudenzia's residential programs.

We will be collecting the following NEW items and bringing them to Ryla:

- School supplies for children including backpacks, pens, pencils, spiral notebooks, etc.
- Personal care items such as hair care products, lotions, deodorant, socks, feminine products, toothbrushes and toothpaste, etc.

- Items for infants such as formula and diapers and infant toiletries and infant clothes like onesies. We will be collecting these items at the **RYLA Conference, February 8-10 2019 at Freedoms Foundation, Valley Forge, Pa.**

This project supports the Rotary Area of Focus to Save Mothers and Children. For more information please contact Karen Mazzarella-Russo at 610-613-3841 or email at (karenkeckmazz@gmail.com).
